---

Aims and Scope: *International Journal of Nursing Practice* is a fully refereed journal that publishes original scholarly work that advances the international understanding and development of nursing, both as a profession and as an academic discipline. The Journal focuses on research papers and professional discussion papers that have a sound scientific, theoretical or philosophical base. Preference is given to high-quality papers written in a way that renders them accessible to a wide audience without compromising quality. The primary criteria for acceptance are excellence, relevance and clarity. All articles are peer-reviewed by at least two researchers expert in the field of the submitted paper.

Abstracting and Indexing Services: The Journal is indexed by *ASSIA, British Nursing Index, Cambridge Scientific Abstracts, CINAHL Database, Health Services Abstracts, MEDLINE, Social Planning/Policy and Development Abstracts, Sociological Abstracts, UnCover* and *University Microfilms.*

Editorial Correspondence: All material for publication should be submitted online at ijnp.manuscriptcentral.com

Disclaimer: The Publisher and Editors cannot be held responsible for errors or any consequences arising from the use of information contained in this journal; the views and opinions expressed do not necessarily reflect those of the Publisher and Editors, neither does the publication of advertisements constitute any endorsement by the Publisher and Editors of the products advertised.

This journal is printed on acid-free paper.
